

The Editor's Eastern Trip.

Invitations to stop and see the little companies at various points en route to and from Lynn, Mass., have been so numerous, that we have been obliged to forego the pleasure of complying with some five requests. In future, however, we hope to be able to see these also.

The entire arrangement of meetings, etc., in each place, will be left in charge of the person mentioned below. Any arrangements they may deem proper will be agreeable to me. They may arrange for one, two or three meetings a day, and, if they choose, select my subjects, or announce the general topic as being "Things Pertaining to the Kingdom of God." The route, committee of arrangement and time of my arrival are as follows:

JESUS gave his perfect natural life to redeem fallen, natural men and to restore them to the perfect natural condition, so we, as his bride, members of his body are first by faith reckoned or accounted perfect through his sacrifice, and secondly, permitted to give this justified nature a "living sacrifice." Thus we are associated with Jesus in his death, the expressed conditions being, that if we thus give up all the Adamic, we may become partakers of the "Divine Nature" – be made "New Creatures in Christ Jesus." "For if we be dead with Him, we believe that we shall also live with Him." "If we suffer with Him, we shall also be glorified together."

BROTHER H. B. RICE writes that he, from temporary loss of business and sickness in his family, has been kept quite occupied of late, but has not lost his interest in the WATCH TOWER. He says: "I believe that the blood of Jesus Christ cleanseth us from all sin. It was certainly not laying aside immortality. It was shedding his blood – pouring out his soul (or life) unto death." He says he finds time to preach the glad tidings, and recently delivered a series of eleven lectures in Stockton, Cal. He has again obtained a situation in San Francisco, and has removed there.
