NOT UNTIL NOVEMBER.

In answer to a number of requests, we had purposed visiting several places in New York state, where little bands of subscribers reside, among others, Brockport, Honeoye, Dansville, etc., but will defer so doing until the early part of November.

We have had numerous and urgent calls for WATCH TOWER Tracts on various topics, and purpose (D.V.) issuing several as soon as possible. They will be cheap tracts for gratuitous distribution and will be furnished at a very low price to those agreeing to distribute them, or free to those so desiring them. We will use a portion of October in this way instead of traveling.

EXTRACT FROM LETTER.

DEAR BRO. RUSSELL: – I was very much pleased with article in last number on "Baptism." It is in harmony with my thoughts on the subject. I have thought for two years or more, that those who thought, only of water baptism, when thinking of being baptized into Christ, were taking the shadow and leaving out the substance; just as they do, who ask to be provided with daily bread, and mean, mainly, natural bread.

The real baptism is of vital importance; and it seems to me that when one has reached that point, he will give expression to it, by water baptism in a proper way, just as surely as it is true that out of the "abundance of the heart the mouth speaketh."

By some of the friends, our ideas of being dead with Christ, are considered a little extreme, and so they may think in regard to these on baptism, but the former lead to the latter.

Your brother,
B. W. KEITH.
