

THE ANNIVERSARY SUPPER.

Remember the date for the commemoration of the death of Christ, our Passover – on the anniversary of his last celebration, April 7th., evening. Meet with fellow members of the one body so far as possible, but eat it alone, if you know of none with whom you could celebrate it in spirit. If you cannot do better make a substitute for wine of raisin juice.

We will be glad to have as many as possible meet with us in this city on that occasion. We anticipate a precious season. Warm hearts here will make you welcome, and endeavor to carry out Paul's and Peter's suggestions. – 1 Pet. 4:9; Rom. 12:13; Heb. 13:2. Review the subject in last (February) TOWER.
