

**BABYLON'S NEW SUBURBS.
THE PUBLIC SCHOOLS.**

NEWFOUNDLAND has adopted the system urged by Catholics in this country and divided its school money among the religious denominations in proportion to their numbers. The total sum is \$96,065. Of this, again divided, the church of England's share will be \$32,138, the Methodists' \$24,488, while something over \$1,000 goes to other sects, the Baptists getting the least, their share being only \$29.
