

## **SPECIAL NOTICE**

This paper is dated to represent two months, October and November, but numbered as one issue. From this you will know not to expect another issue until December. Your subscription year will be estimated as extended one month beyond the date at which it would otherwise have expired.

This has been found necessary to enable us to use our type for M. DAWN VOL. II., which we hope to be able to announce as ready in our next issue. The first edition will be in cloth binding only and it is questionable whether it will be worth while to get out a paper bound edition; because it will probably be of interest only to the deeply interested, who will prefer it in cloth binding for preservation as a book of reference.
