

## **OLD GERMAN TOWERS FREE.**

We have thousands of old copies of the *German* WATCH TOWER, very suitable for new readers, which we are anxious to put into their hands FREE. We ask our readers who can do so and would enjoy the privilege of such service, to take these and distribute them at the doors of German churches on Sundays. In ordering say how many you can use.

When thus distributing papers or tracts do not *stand* to do so, for this blocks the street and is contrary to law, but *keep walking* up and down while handing them out, and be as polite and agreeable as possible.
