

**"THE PLAN OF THE AGES."
MILLENNIAL DAWN, VOL. I.**

This work is specially designed to make plain the divine plan. It begins at the beginning of the subject, by establishing the faith of the reader in God and in the Bible as his revelation, and proceeds to trace the glorious plan therein revealed, and to show which parts of that plan are already accomplished, and which will be accomplished during the Millennial age, the manner of its introduction, and its objects and methods.

We know of nothing to compare with this book, as a "Bible Key" – "A Helping Hand for Bible Students." *The One Hundred and Twentieth Thousand* is now on the press, and many who have read it carefully and prayerfully, declare that if they could not obtain another they would not part with their copy, and the hopes it has enkindled, for millions.

It contains 352 pages, clear type, good paper, etc. Price in cloth covers \$1.00 (or together with one year's subscription to this journal, *Zion's Watch Tower*, \$1.25). Price in paper covers 25 cents, reduced from 50 cents to bring it within reach of all. These prices include postage.

Only *Watch Tower subscribers* are desired to act as colporteurs or agents for this book, and to thus preach with each book sixteen sermons more effectively than in any other way, and to classes not otherwise accessible. Some loan these books in quantities, others give them to their friends, and others sell them. The latter plan is often best, because people will more surely read what they have paid something for.

Some of our readers, who can afford it, pay the above low prices by the hundred copies, and some do more and contribute to the TOWER TRACT FUND, enabling us to make the following terms on the paper covered books to those whose circumstances are such that they can greatly increase their time and labor in this work by taking advantage of the allowance, as *all subscribers* are at liberty and welcome to do, each according to his own judgment.

The terms to Colporteurs are as follows: – To such as desire these books for *loaning* or *giving away*, and to those who can spend *more* of their time in selling them by reason of this arrangement, the Tract Fund grants an allowance of 10 cents per book, *in lots of not less than 10 books* AT A TIME – that is \$1.50 for 10 books, \$3.00 for 20, etc. This *allowance* is made to enable those of limited means to do more in the work of spreading the truth than they could otherwise do.

To such as give *their entire time* to this ministry of the truth, traveling from town to town and engaging in no other business for support, the Tract Fund grants an allowance of 12½ cents per copy (called "Expense Money" to pay the traveling and living expenses of colporteurs), – *in lots of not less than 20 books* AT A TIME, – that is \$2.50 for 20 books, \$5.00 for 40, etc.

When ordering state plainly *which* terms you accept, otherwise we shall reckon at 25 cents each. ***A GERMAN TRANSLATION OF THE ABOVE AT SAME PRICES AND ON SAME TERMS***, except that colporteurs will be permitted to order one half the minimum quantities, – 5 for 75 cents, etc., or to regular colporteurs 10 for \$1.25.
