

NO TOWER FOR DECEMBER, 1889.

In view of our removal, and in view also of our need of our type in preparing MILLENNIAL DAWN, Vol. III., we concluded to omit a TOWER issue for December 15th and to send this January issue a little earlier than the middle of the month, so as not to keep our readers too long in suspense. Instead of the December TOWER we sent to all readers samples of the "OLD THEOLOGY" – a tract-pamphlet issued quarterly at the small sum of 5 cents per year. Subscriptions for *Old Theology* may be sent in with your TOWER subscriptions. See terms for quantities, etc., on second page of sample tract No. 4. In ordering please state whether you wish your subscription to date back to the beginning, or to start with January 1890.
