

## **O.T. TRACTS, 10,000 PER MONTH FREE.**

The TOWER TRACT SOCIETY has decided to supply for the remaining ten months of this year 10,000 sample copies of the Old Theology Tracts per month, FREE, to brethren and sisters who are on the WATCH TOWER lists, and who desire to circulate more than they can afford to purchase, and who will promise that the number they request shall be carefully and judiciously used, one at a time. Order each month no more than you are sure you can use. This seems to be an excellent plan for providing the "hail." Now let every one lay his plans wisely and prayerfully to make the best possible use of this generous provision. Those who cannot distribute tracts personally to advantage, may send in the addresses of such as would be interested. Address orders to TOWER TRACT SOCIETY.
