

O Christ, Our Immortality.

G. M. Bills

M. L. McPhail

O Christ, our immortality, We have no life except in Thee;
Thou art our resurrection breath, And without Thee is endless death.

CHORUS

Immortality, Immortality Is Jesus' gift to me;
Life and light divine, thro' the blood are mine; And endless victory.

O Christ, our immortality, Amid earth's storms to Thee we flee.
No wind this Solid Rock can break, No flood this Sure Foundation
shake.

O Christ, our immortality, Our safety is to hide in Thee;
Thy blest Redemption now we claim And life receive thro' Jesus' name.

O Christ, our immortality, Death has no sting nor victory,
Since for Thy people Thou didst win The great salvation from all sin.

O Christ, our immortality, No darkness can be found in Thee;
And in to ev'ry trusting heart Thou dost the light and life impart.
