

OUR NEW PROPHETIC CHART.

WE STILL procure and supply (\$1.50 including expressage) the handsome, 5 ft. long Chart of the Ages, similar to the one in the front of MILLENNIAL DAWN, VOL. I., for parlor and hall meetings. But now we have something entirely new which every WATCH TOWER reader will want for personal and family use.

It is 34 inches long, on extra heavy coated paper, with metal mountings top and bottom and hangers. It gives the outlines of the ages and dispensations, and underneath the same, and to a scale, it shows the various lines of prophecy presented in MILLENNIAL DAWN volumes, also an illustration of the "days of creation" as set forth in the WATCH TOWER some years ago, and promised again in some future volume of the DAWN series.

The chart is too complex to be described briefly. Suffice it to say, If you are deeply interested in present truth, as presented in the TOWER and DAWN, you will surely want one of these charts for your sitting room or study wall. We have made the price 25 cents each, including postage, which will bring it within the reach of almost all. But that the poorest may enjoy it and be helped by it, we will send it *free* to all such on our list who drop us a postal card stating the fact and requesting the chart free, *during the month of April, 1898.*

For the suggestion of such a chart, no less than for the drawing of this one, we all are indebted to our dear Brother U. G. Lee, whose service was rendered free to the Lord and his people. Wherever possible, let several unite in *one order, to one address*, as thus the risk of damage will be decreased.
