“PILGRIM” ARRANGEMENTS STILL MISUNDERSTOOD.

We find that quite a number of our readers did not respond to our queries respecting "Pilgrim" visits because they thought themselves too far from Allegheny to ask or expect a visit. Others who did respond have wondered that a "Pilgrim" was not started to them at once. For these reasons we explain again, as follows: –

The Society sends forth a number of these Pilgrims – according as the Society's funds will *permit* and the interests of the flock seem to *demand*. These are sent out on long tours – three to twelve months, according to circumstances; – and sometimes reach very out-of-the-way places where we know that the interest and arrangements will justify the expense and time. We rarely give more than two days to any place unless more is specially *requested* and good reasons *given*.

We will be making up new routes for 1901 and therefore requested replies to our questions from all who desire to be remembered and visited. See TOWER Aug. 1, 1900. **page 338**

The *ransom, justification, sanctification, the second coming of our Lord* and the *resurrection* are made quite prominent in these markings. Price postpaid *two* for 25 cents or \$1.10 per dozen by express at your charges.
