ABOUT "PILGRIM" CALLS.

We find to our joy that the Pilgrim visits are greatly enjoyed by the friends of the truth: – the limited responses to our previous notice being the result of misunderstandings. Some presumed that our inquiry was for places where a "Pilgrim" had never yet stopped and who desired one. Others thought we meant to send the "Pilgrim" at once and direct from Allegheny, and thought the distance and expense too great to ask. Now they understand that our method is to make out *routes* in advance and that we wanted to know where the "Pilgrim" visits are most appreciated in order to specially include such places in those routes. We have many responses. Some are from very remote places not likely ever to be reached: and yet some have already been reached of which at first we had the same thought. We will do our best to serve all. **page 322**

MARKED NEW TESTAMENTS.

We have now a goodly supply of the Marked New Testaments. The markings are in red ink, making prominent verses which are specially forceful as respects various features of the divine plan for our salvation. The *ransom, justification, sanctification, the second coming of our Lord* and the *resurrection* are made quite prominent in these markings. Price postpaid *two* for 25 cents or \$1.10 per dozen by express at your charges.

The publication, markings, etc. are not our work.
