

## **ENCOURAGING WORDS FROM FAITHFUL WORKERS**

DEAR BROTHER RUSSELL: –

I received a letter a short time ago that was so very encouraging to me that I feel I must tell you about it in order that you may be encouraged also. While canvassing last summer I met a man who when I told him that I was introducing **STUDIES IN THE SCRIPTURES**, remarked that I had perhaps stopped at the wrong house, as he did not or could not believe the Bible. He said he was very sorry that the Bible taught eternal torment, that only for that he might be able to believe it. When I assured him that the Bible did not teach the doctrine of eternal torment he seemed very much surprised that I would make such a statement and said, "It surely does teach it." I told him that the Bible teaches that the wages of sin is death, that the soul that sinneth shall die, and that the wicked shall be destroyed, etc. I then briefly told him what a loving heavenly Father we have, and how far he would be from torturing any one, and that the books which I was selling clear up these false accusations which people have been making against our heavenly Father, and that they would also strengthen his faith in the Bible. When I had finished he asked me when I expected to deliver. When I told him he said he would like to have them sooner if possible, as he was getting old and might not have much longer to read. So I promised to deliver his books the next day and did so. I was in the town only about two weeks afterward, but called a number of times to see him and always found him with either **DAWN** or Bible in hand. I gave his name to the friends in the town so that they might keep in touch with him. The letter above referred to is from one of the brethren there, who says that this man, once an infidel, is now one of the happiest men in the world, that he is now fully in the Truth and has four of his friends

interested also, two of whom have subscribed for the TOWER. They are all rejoicing together and we rejoice with them, not only because we are being so greatly blessed but because the time for the establishment of the Kingdom is so near, when all the families of the earth are to be blessed.

Sister D\_\_\_\_\_ joins me in much love to yourself and all of the Bible House friends.

Yours in the one good hope,

H. W. DICKERSON, – *Colporteur*.

DEAR BROTHER RUSSELL: –

It is with a rejoicing heart that I am writing to you to tell you of the deep things of God that I am enjoying. My dear husband and I have only been in the Truth three months. What great joy the reading of the DAWNS has given us! So many questions arise and all seem to be answered in the DAWNS. We did so wonder whether we be of the true wheat, since learning that the call ended in 1881; but we have just finished Vol. 3 of the DAWNS and found the answer. The dear Lord would not give us a taste of these things if he did not mean that we should fully attain them. How good and gracious he is to those that try to follow in his steps! But how many tumbles we do have! Then I get up and start afresh. I wish I could express in words what the DAWNS have done for us. We now feel more contented about the at present unsaved. It did seem such a terrible thing for those that did not believe to be eternally tortured. How such teaching has blasphemed God's character, the one who is all Love. How beautifully his character is set forth in his marvelous plan! It seems so wonderful that everything in the plan had been arranged in the beginning and also how grandly all is being carried out! My mind seems too small to grasp such wonderful truths.

My husband and I came out from the Brethren and they think us among those false prophets who are to arise. Little do they realize of the deep, deep joy to be had in knowing our dear Lord and to be led by his loving hand. I have in this little time realized to some extent the steepness and narrowness of the way which leadeth unto life. But I do so much long for that Christ-like character and to shine for his sake, to shine for him who has done so much for all mankind.

We are having the WATCH TOWERS now. How helpful they are. I do thank our dear heavenly Father for raising you up to give us this meat in due season. The Lord has provided all that is needful for his Church. It seems to me to be like a great big feast and the more you eat the more you want. My husband joins in sending Christian love and may God bless you in your labors is the prayer of us both.

Yours in our dear Redeemer,

G. & M. HINE, – *Eng.*

DEAR BROTHER RUSSELL: –

May the Lord, guide, uphold and bless you through all the coming year, and, dear Brother, I ask your prayers that he may be with me and keep me safe from evil, toward which I am so prone. I am learning to distrust myself more each day and I want to learn to trust him more for the grace and strength to overcome my many weaknesses and failings.

Would say that I am learning to love the Colporteur work more each day and while at first it was somewhat unpleasant work, to which I had to force myself, owing partly, however, to much natural timidity and backwardness in approaching strangers, it is now a pleasure, especially as I often meet persons who appear to be hungering for something better than they have.

At present I devote the first four days of the week and Friday morning to the Colporteur work. I have other duties Friday afternoons and Saturdays. Am [R3975 : page 111] doing very nicely and am making expenses, and so feel satisfied to continue. Again thanking you for so kindly remembering me, I am, with much Christian love,

Yours in the harvest work,

ALBERTA CROSBY, – *Colporteur*.

DEAR BRETHREN: –

You will find enclosed my first report. It covers, as you see, somewhat more than half a month, but I hope you will accept it as it is and make allowances for mistakes or omissions, remembering that it is new to me. It shall be my effort to make each report more satisfactory than the last. Your words of instruction and encouragement have, I assure you, been greatly appreciated. It seemed to me that I esteemed the Colporteur work a great blessing and privilege, but since reading the report in the January 1 TOWER I feel much ashamed and pray the heavenly Father for a like earnest zeal as that shown by the Colporteurs in Jamaica and Costa Rica. May the heavenly Father's blessing attend all your labor of love in the new year.

Your Sister in the Anointed One,

ELLEN ZELLER, – *Colporteur*.
