## 1911 – MEMORIAL SUPPER – 1911

THE JEWISH PASSOVER, which lasts for a week, begins this year on Thursday, April 13, which, in Jewish reckoning, is the 15th of the first month. In Jewish reckoning a day begins to count in the evening at 6 o'clock, consequently the 15th begins Wednesday night at 6 o'clock. Wednesday, April 12, would be the 14th day of the first month, and it, in turn, begins at 6 p.m. Tuesday, April 11, which is thus the anniversary of the first celebration of the Lord's Supper.

It is the custom of WATCH TOWER readers all over the world to celebrate our Redeemer's death on its anniversary. We trust that the celebration this year will be a very general one. The significance of the Memorial is described in our issue of February 1 and also in SCRIPTURE STUDIES, Series VI.

On the evening of April 11 at 7:30 the New York City Church will assemble in the Brooklyn Tabernacle, 17 Hicks street, for the celebration of the Memorial. All Christians in fellowship of heart with the Lord are cordially invited to be present. We do not, however, specially invite or urge brethren from other congregations meeting [R4778 : page 75] similarly for this celebration on the same evening. We believe the instructions of the Lord's Word on the subject imply that each congregation or family of the Lord's children should meet together for this celebration.

There will be a baptism service on the Sunday preceding the Memorial – April 9 – in the Brooklyn Tabernacle at 3 p.m. The subject of baptism is also discussed in SCRIPTURE STUDIES, Volume VI. All thinking of participation in this symbol are requested to make a very thorough study of the subject, that they may act with proper intelligence.

We recommend that all gatherings of Bible students, if possible, provide an opportunity for immersion preceding the Memorial. The

Memorial celebration should be esteemed a great privilege. If any one is out of heart fellowship with the Lord, his first work should be to get right with him. And the Lord directs that any coming to his altar, should, as far as possible, before coming, get into heart harmony with all of the "household of faith." This should, therefore, be a time of heart searching and purifying. This, in the Jewish Passover type, was prefigured by the search made for leaven of every description – leaven being a symbol of corruption, sin, contrariness to purity, righteousness and love.

Whoever finds himself out of harmony with the Lord at this season and avails himself of the privileges above suggested and seeks a return to Divine favor will surely experience a great blessing. And whoever passes by the opportunity will lose a blessing which none can afford to lose. A realization of our own imperfections at such time must not discourage us or make us faint. Rather we should remember God's provision for our reconciliation through our great Advocate, whose death the Memorial celebrates. Let us also remember our Covenant of sacrifice, by which we become members of the Body of Christ.

It may not be amiss that we remind our readers that for some reason which we cannot explain it has for years appeared to us that Satan is granted special power to tempt the Lord's consecrated people at this Passover season, as he had special power at this season when our Lord was crucified. Then Judas entirely succumbed. St. Peter stumbled badly, and all of the Apostles temporarily forsook the Master and fled and were in deep perplexity until Pentecost. The Master's advice then is good still, "Watch and pray lest ye enter into temptation."
