

EUREKA DRAMA – CLASS EXTENSION

THE PHOTO-DRAMA OF CREATION was greatly blessed of the Lord and, we believe, accomplished a great work. Many new Classes and many enlarged Classes are amongst the fruits. While we know much of the fruitage of this service in the Lord, a wide-spread, general impression, favorable to the Truth, was made; and what good this has accomplished only eternity will show. The majority of our DRAMAS, both here and in Europe, are idle because the funds necessary to their free presentation have been exhausted. We are not soliciting money, but merely stating facts.

Meantime, the EUREKA DRAMA, described in our issues of August 1st and 15th, 1914, has been accomplishing great success under the Lord's blessing. Not only have thousands been permitted to hear the Good Tidings, but the brethren who have given the exhibitions and have conducted the follow-up work, have received great blessings in their own hearts as a part of their reward for faithfulness to their opportunities. Exhibitions have been given in many small cities and towns in competition with moving pictures, and with good success. However, we recommend, brethren, that the EUREKA outfit be used in places where there are no moving picture theatres. We have the most complete combination of slides of a religious kind to be found anywhere in the world, and we have the finest phonograph presentations of the human voice to be found anywhere. Everybody is astonished at the clearness, at the distinctness of tone with which the lectures and hymns are rendered.

RECORDS IN MANY LANGUAGES

Besides the English, we have the DRAMA records in German, Swedish, Danish and Finnish; and we have in prospect Italian, Spanish and Polish. The latter three, however, we may not be able

to supply this year. The foreign records are double price. The hymns can be furnished only in English.

We know of no better way in which to serve the Truth and to interest the public than by the use of the EUREKA DRAMA. After the giving of the three DRAMA exhibitions there comes an opportunity for follow-up work – Class Extension work. We urge nothing; we are merely mentioning the facts so that those who desire and have the opportunity may avail themselves of these privileges. For new readers we will here repeat, briefly,
